My child had a great year in Kindergarten and I owe it to his teachers, who were excellent!

I love my daughter's teacher! and I wish she could keep her in the next grade!

Although, I bubbled academic behavior intervention, I wasn't referring to Mrs. Votaw. Mrs. Votaw is an excellent teacher who does more than needed for Daniel. i appreciate how she challenges his academic ability and helps me w/ his discipline issues. She is an awesome teacher!

Lieder Elementary is the most family oriented school that I've know in Houston.
